

What is Eco Church?

It is a scheme to help church communities improve their environmental impact in the light of the Climate Crisis and our other effects on Creation. We believe it is God's world but that He has made us stewards to live in it with responsibility and compassion. As a church, the Eco Church scheme reminds us to consider our impact in 5 ways:

- OUR WORSHIP AND TEACHING
- THE MANAGEMENT OF OUR CHURCH BUILDINGS
- THE MANAGEMENT OF OUR CHURCH LAND
- OUR COMMUNITY AND GLOBAL ENGAGEMENT
- OUR PERSONAL LIFESTYLE

In each area the scheme poses a number of questions and answers for which points may be awarded. These may lead to the recognition of our church for a Bronze, Silver or Gold Eco Church Award. As church members, we would encourage you to consider prayerfully and practically your daily response to the environmental needs of the world and community in which we live.

For further details of the scheme and how it works go to

What can I do?

His world in
our hands

Our world in
His hands

Eco Church is a project initiated by A Rocha UK and supported by the Church of England and other denominations, as well as by major Christian charities such as Tearfund and Christian Aid.
